Dear Local Businesses, Parents, and Community Partners:

Every year, millions of children in our community are provided with lifesaving care at Children's Hospital of Philadelphia (CHOP). This year, **Oxford Area High School National Honor Society**, along with students, teachers, administration, and families, invite you to join us in supporting **CHOP's ongoing efforts to change the lives of children in need** at our third annual **Dance Marathon** on **April 26th**.

All Dance Marathon proceeds will be donated to Children's Hospital of Philadelphia for treatment and research. Your support for this event will help CHOP provide healing care for the thousands of kids diagnosed with cancer and other serious illnesses every day. Gifts of all sizes power everything from lifesaving treatment and breakthrough discovery to making each family's journey to health a little easier. Give now to help us find better treatments and provide CHOP's patients and our community with much-needed programs and services. And most of all, help all children reach their potential.
