

Hosted by:  
**Peach Bottom Clean Energy Center**  
1848 Lay Rd, Delta, PA 17314

## **Peach STEM Academy** **June 16th - 20th**

**Seeking high school students who are entering their sophomore, junior, or senior year!!!**

**Students will have the opportunity to learn about all the departments and roles at Peach Bottom, gain valuable insights into the energy industry, and participate in a mock career fair!**

Not sure if nuclear has a career path for you? Don't know what options there are? Join us at STEM Academy to participate in hands on activities and learning opportunities!

**Learn about and engage with the following departments!**

**Security, Project Management, Human Resources, Chemistry, Radiation Protection, Maintenance, Operations and Engineering**

### **Interested in registering for STEM Academy?**
