High School Dual Enrollment

Experience college education in a state-of-the-art learning environment while getting an early start on your future degree. Dual enrollment allows eligible high school students to enroll in general education courses while completing high school requirements at Saint Joseph's University. This opportunity is available only at the Lancaster location.

Who is Eligible?

High school juniors and seniors who have completed the following may apply for dual enrollment:

- Earned cumulative GPA of 2.5 or greater
- Algebra I and Algebra II
- Biology with lab
- An advanced science with a lab such as Chemistry, Physics, or Advanced Biology when applying for college courses in these disciplines.

What is the Application Process?

Applications are reviewed on a rolling basis throughout the year, but we recommend applying by February 1 for the Fall semester or August 1 for the Spring semester.

To apply:

- Visit www.sju.edu/Lancaster and click APPLY
- Contact us for a waiver code for a free application if you don't have one
- Have your high school counselor email your official transcript to LancasterAdmit@sju.edu
