Rules and Regulations

Round robin double elimination (with the exception of a play-off game for third place).

1. A team consists of 4 – 6 players, all of whom must be wearing athletic attire. No street shoes or marking shoes will be allowed. Although we strongly encourage creativity with uniforms we reserve the right to disqualify any team for inappropriate attire, poor sportsmanship or conduct. All jewelry must be removed prior to the start of the match. A team may have additional players that may enter in succeeding games, but no substitutions can occur once the game has started and all players must be listed on the official roster handed in prior to the tournament.
2. A match consists of one game. Each game will last a maximum of 6 minutes. The game is over when all of one team's players are eliminated, or if time elapses the team with the most players left wins. If, after time has expired, there is a tie, then there will be a 2 minute sudden-death period between the remaining players where the first team to have a player eliminated loses. If there is still a tie then it is double sudden death overtime in which there will be a "duel" between the two team captains.
3. Dodgeball is primarily self-refereed and played with honor rules. However, there are 2 referees, they will start the game, confirm hits and catches, and count ball possession time.
4. Officials will place seven (7) balls on the centerline, 3 balls near each end of the centerline and one ball in the middle. During the opening rush (when the game starts), you may only grab the balls to your right and both teams may attempt to grab the extra ball in the middle.
5. You are out if: (a) you step on or over a sideline or centerline; (b) a thrown live ball hits your body; or (c) you throw a live ball and it is caught by an opponent.
6. A thrown live ball can only hit out 1 player. Thrown balls that hit the ground, the wall, other balls, or other objects before hitting the opponent are considered dead balls, and are ineligible to hit players out.
7. You may block a thrown ball with a held ball. However, if you drop the blocking ball during the act of blocking, or if you fail to make a clean block (as in, the thrown ball still ends up hitting or grazing your body afterwards), you are out.
8. You can only hold a ball for 10 seconds, afterwards, it will be considered dead. Dead balls need to be rolled over immediately to the other team.
9. If one of your players is hit, you may sub in an extra player from your team (if they have not already been on the court).
10. All Oxford Area High School and District rules and policies will still be in effect during the dodgeball tournament. Not following school rules may result in an individual or team being disqualified without refund.
